## Clancy's Clone

Name: \_\_\_\_\_

Clancy the clam wanted to play with his classmates. But his mom told him he must clean their clamshell before he went out. Clancy was a clever clam. He decided to clone himself so the clone would do the cleaning. He named his clone Clarence. Clarence did the cleaning while Clancy went out with his clique. Clarence hung his clothes in the closet, unclogged the toilet, cleared the clutter off the floors and dusted the clown collection. He even climbed up to clean the old clock. Cloning himself was the greatest thing Clancy has ever done!
