Camping in the Wild

Name: _____

Ben and his grandpa went on a camping adventure. Ben was nervous about seeing wild animals but his grandpa knew what to do. They each carried a backpack which held all the supplies they would need to sleep out in the cold. As they were hiking through the forest Ben looked all around with his binoculars.

Suddenly he saw a bald eagle. Grandpa wanted to get closer to the eagle to get a better look.

When the bald eagle saw a child and an old man coming close he flew away. Ben spent the rest of the trip looking for that eagle!

.....

1. How do Ben and his grandpa carry their stuff?

2. What did Ben see with his binoculars?
