Chester the Chicken

Chester loved being a chicken! He loved living on the farm with his chicken friends and chicks. Then one day, the chirpy bird made fun of Chester because he couldn't fly. Chester's feelings were hurt. Chester ran away and checked himself into a hospital. The doctor told Chester to cherish the qualities he had, and not to worry about what others thought of him! The doctor was right. Chester ran back home and all the animals were waiting for him. They cheered and chanted, "We Love Chester!" as he came up Church Road. Chester vowed to never leave home again!
