SENIOR SPOTLIGHT: CALLIE KENNEMORE

By PEYTON SULLINS

Callie Kennemore was born on March 25, 1999 in Memphis, Tennessee to Ken and Tiffany Kennemore and is the sibling of Chandlor Sullivan and Charles Kennemore.

Callie is a member of the golf team, softball team, cheer team, and cross-country team. She is involved in Student Council, FBLA, Beta Club, Spanish Club, and Library Club. Callie was also chosen for All-State Cheer and represented Gosnell at Girls State this past summer.

One word that best describes Callie is outgoing. "I love talking to new people and meeting new friends," she commented.

To incoming freshmen, she says: "Do what makes you happy. Don't listen to what others say about you and your life. Live life how you want, and make yourself happy first."

Callie's favorite things about being a senior have been no MAP testing, front parking spots, and having an easier schedule. She will miss cheering at every football and basketball game and getting to play softball the most after graduating. "All of our fans are so great and all of my teammates and coaches are like family now," she added.

High school has taught Callie

that you can't make people like you, no matter how good you are to them. "I've learned to let those people go and just be me. God will take away people and give you others, so trust His plan."

After high school, Callie plans to attend the University of Central Arkansas and later become a lower elementary teacher. She hopes to be remembered at Gosnell as someone who always tried to make the best of every situation and someone who made each day a little more enjoyable.

Three things on Callie's bucket list include skydiving, visiting the Eiffel Tower, and scuba diving.

Abby O'Neal, Shelby Crosskno, and Samantha Reams have been Callie's best friends throughout high school. "We have all been friends since elementary school, and I am so glad we have lasted all throughout junior high and high school. I am so fortunate to have them, and I will miss them all dearly."

Abby responded, "Can't wait to come visit you on the weekends, stay safe, love you girlie."

Shelby responded, "I love Callie so much! She is always up for spontaneous road trips, and she knows how to make me laugh. We have definitely been through

thick and thin together, and I'm not sure what I'll do without her next year. I wish her the best in life!"

Samantha responded, "Callie is one of my closest friends and I am so thankful she is. She truly has such a kind heart. I know she will be so successful and I can't wait to see what all she accomplishes!"

Callie's favorite teacher throughout high school has been Mrs. Quick. "She is always there to give advice and tell you how it is. She is very supportive, loving, and caring. I admire her so much, and I am going to miss her a lot!"

Mrs. Quick responded, "Callie, you are an example of one of the reasons I continue to love this job. It was a privilege to watch you grow from a sassy 9th grader to an absolutely lovely young woman. I will miss your smiling face as it always brightens my day. I hope you never lose that spunk and that you always do what you know to be right. Keep God first kiddo, and you will always go where you are supposed to be. Good luck next year. I sure am going to miss you!"

Her favorite class throughout high school has been Psychology. "It's interesting learning about how and why we do certain things and how we change

over time."

To her parents, she says: "Mom and Dad, thank you so much for always believing in me and for pushing me to do my best. I wouldn't have been able to make it this far without you both. I love you!"

A verse that Callie lives by is

Proverbs 3:5-6: "Trust in the Lord with all of your heart, lean not on your own understanding. In all of your ways submit to Him, and He will make your path straight." She added, "It always reminds me to never lose my faith and trust in God because he will always have my back."

Dunn earns band scholarship

Senior Bryndon Dunn received a full band scholarship to UAPB after auditioning at the ANC/UAPB recruitment event on February 16, 2017 at ANC.

SENIOR SPOTLIGHT: BRYNDON DUNN

By MIA HENDERSON

Bryndon Dunn was born April 6, 1999 in Blytheville, Arkansas.

He is the son of Robilyn Key and Edward Dunn. He has two siblings: Druw and Calov Dunn.

Bryndon's interest is in football, which he played while in Jr. High, and band. He is currently in Gosnell's FFA. He likes to spend his free time practicing music and playing his bass.

Special awards he received are medals from honor bands in Memphis, Jonesboro, and Ole Miss. He's also been awarded "Most astounding soloist."

Bryndon describes himself as a chill and smart average guy.

"The past is the past, the future is the future, and the present is the present; focus on now and your future, because the past is forever history, but don't forget what made you better in life" is a quota-

tion Bryndon lives by.

Three things that are on his bucket list are to grow an afro, to live to see 100, and to wrestle a bear.

After high school Bryndon plans on getting out of Arkansas and studying animation and design.

His favorite teacher has been Mrs. Hendrix because they got to set things on fire in her class.

Mrs. Hendrix replied, "Bryndon has helped me so much this year as my aide, and I've enjoyed getting to know him more. He is so sweet and generous, and I know that he will go far in whatever he chooses to do. I wish him the best of luck and all God's blessings as he graduates. Congratulations! Love, Mrs. Hendrix."

Advice Bryndon gives to incoming freshmen is "Quizlet is your truest ally, use it."

To his parents, Bryndon says, "This is just the tip of the iceberg."
