## SENIOR SPOTLIGHT: DEQUADDRE MATHIS

By MIA HENDERSON

DeQuaddre Demetrius Mathis was born May 22, 1999 in Blytheville, Arkansas. He is the son of Krystal Chew and Antoine Mathis.

He has four siblings: Trae'Viona White, AJ Mathis, Kazden Mathis, and Myles Mathis.

DeQuaddre's hobbies include playing football, basketball, volleyball, chess, and checkers.

"Once I set my mind to something, I won't settle until I reach my goal." One word to describe DeQuaddre would be ambitious.

"Someday, everything will make perfect sense. So for now, laugh at the confusion, smile through the tears, and keep reminding yourself that everything happens for a reason." This is a quotation DeQuaddre lives by.

Three things that are on his bucket list are parasailing, traveling the world, and owning his own training facility.

DeQuaddre would like to be remembered as friendly, courageous, and "very stylish" after he leaves Gosnell School District.

DeQuaddre's best friend in high school has been Rodale

Jones "because he keeps it real with me."

Rodale replied, "This is my boy! We do everything together. If I have and he doesn't, he still has it and vice versa."

His favorite teacher in high school has been Mrs. Hendrix, "She works to make sure you understand versus just teaching a lesson to pass the time."

Mrs. Hendrix replied, "DeQuaddre is a quiet, yet sweet gentleman in my classes. He also has an excellent fashion sense and made me smile every day! I will miss him, and I wish him all the best as he graduates."

His favorite class in high school has been chemistry. "It's exciting to see what happens when you combine different things, kind of like life!"

His favorite thing about being a senior is freedom and feeling accomplished and the satisfaction of knowing in a couple of months he'll be taking on the world as an adult.

One lesson that high school has taught him throughout the years is to be prepared because you never know what's coming.

After high school DeQuaddre

plans to attend Missouri State University where he will major in sports medicine and minor in business management.

Advice DeQuaddre would give to incoming freshmen is to have fun and don't let life pass you by.

To his parents, DeQuaddre says, "I would like to thank my

mother and father for always pushing me to be greater. Even when I stumbled you guys have always been there to help dust myself off and tell me that failure is only failure if I never tried. Thank you for bringing me up in church because I know there's no greater love than GOD'S love."
