AMI - Day 3 - All Mrs. Crosskno's Classes (H.S.)

LISTEN TO ME! (RC-40)

DIRECTIONS: How much time do you spend listening during a typical school day? Look at the pie chart below and answer the questions.

Methods of Communication Used in a Typical School Day

©1993 by The Center for Applied Research in Education

1. According to the pie chart, approximately what percentage of the school day is spent listening?
2. Why do you think this is the case?
3. Based on this graph, why is it important to have good listening skills?
4. What types of problems can result from not listening well? Explain.
5. Give a specific example of a time you did not listen well in school.
